CELEBRATION

At most schools the 50<sup>th</sup> class reunion is a very important event. If you present Jester's beautiful die-cast 50<sup>th</sup> reunion medallions on neck ribbons bearing your school colors, you will transform your 50<sup>th</sup> reunion into a well-attended, memorable and enduring tradition. Elevating this milestone event to the level it deserves by presenting these prestigious keepsakes can strengthen alumni ties and foster connection and generosity.

### MEDALLIONS ARE UNCOMMON AWARDS

Think back to the Olympics and the excitement the medal presentations create. Now think how few people in our world have ever had a medallion placed personally around their neck. The experience is rare, moving—and unforgettable.

### PERSONAL PRESENTATION IS CRITICAL

Placing these medallions personally makes all the difference. Rather than handing them out in boxes, having the college president or other popular figure place them on attendees creates drama and increases their impact.

### EARLY PRESENTATION HELPS ALUMNI RECONNECT

Your 50<sup>th</sup> class members will enjoy finding other wearing their medallions and greeting each other the entire weekend, so plan the presentation early—even at the registration site—when your 50<sup>th</sup> group first arrives on campus.

### ALUMS WEAR MEDALLIONS ALL WEEKEND

Nancy Osgood at Pomona College told us that her 50<sup>th</sup> reunion group proudly wore their medallions for the entire weekend.

### MEDALLIONS HELP DEVELOPMENT

Nancy also said one of her alums was so pleased with her medallion that she whispered to Nancy, "This makes me want to write a big check."

### CUSTOM-DESIGN DEFINES YOUR EVENT

We die-cast our medallions in an attractive bronzetone, and work with you on the design. Most schools use their seal in the center, arch the school name around the top and curve the "50<sup>th</sup> Reunion" below. For more ideas, visit [www.jestercompany.com](http://www.jestercompany.com).

### MEDALLIONS SERVE MULTIPLE REUNIONS

We strongly suggest that you do not place the reunion class's graduating year on your medallions. "50<sup>th</sup> Reunion" is the important occasion, and you will save significantly by ordering medallions for several reunions at a time. You never know how many will attend, and it is comforting to know you'll always have enough for the upcoming reunion. Plus you can reorder medallions in the same design without any additional die charges.

### EARLY ORDERING ENSURES TIMELY DELIVERY

Please don't wait. Contact Jester today to receive free samples, and let us help you create medallions that will honor your 50<sup>th</sup> reunion alumni for generations.
